Angelo D'Ariano Campaign for Secretary/Treasurer

We proudly endorse Angelo D'Ariano as Secretary/Treasurer of the Florida Professional Firefighters.

Angelo's unwavering dedication to the fire service and his proven leadership make him the ideal candidate for this crucial role. His experience in effectively managing the financial and administrative aspects of Palm Beach Local 2928 will help elevate the FPF in the future.

His track record of advocating for firefighter rights, negotiating multiple contracts, and managing a large multi-million dollar budget is the best resume for our future GST.

Angelo's vision for what the future of the FPF could be aligns with our values and aspirations within our own union. Building on the foundation of what S/T Gilbert Marsh has started, we could continue to be a driving force in Florida Politics

Sincerely,

Rolin Boyd, President
